4. Objectives

OMEX Mfg ULC does not intend to reduce the use of chromium and its compounds since it is a component of the metals used as per customer quality standard requirements.

5. Progress in Implementing Plan

This section does not apply since no feasible reduction options are available for implementation at this time.

For information on on-site releases from the facility, as well as disposal and off-site recycling information please refer to National Pollutant Release Inventory's website: <http://www.ec.gc.ca/inrp-npri/>.
